<b>Greg Bassett</b>	Bassett Home Services 434-987-4567 greg@bassetthomeservices.com	They recently remodeled my two bathrooms and did an excellent job. The workers were very conscientious and pleasant to deal with. They took pains to contain dust and protect floors in adjacent rooms. Since they were able to handle all aspects of the job, they were able to complete the work in less time and without the delays and other complications that use of subcontractors would have entailed. I had the convenience of one working toilet throughout the project because they worked on one room at a time. This is a very professional outfit.
<b>Troy Bilt Construction</b>	Troy Woodward 434-249-4461 alltroybilt@gmail.com	Removed old deck and replaced with screened in porch. Excellent quality – Best price – Great to work with. Can handle all manner of remodeling and construction projects
